This document describes the process for making PDF documents accessible. Whenever possible, accessibility should be incorporated directly into the document using the application that created it. When accessibility is incorporated directly into the source document, less repair work will be required ...

The Modern Age of Comic Books is a period in the history of American superhero comic books which is generally considered to have begun in the mid-1980s and continues through the present day. During approximately the first 15 years of this period, many comic book characters were redesigned, creators gained prominence in the industry, independent comics flourished, and larger publishing houses ...

Modern art includes artistic work produced during the period extending roughly from the 1860s to the 1970s, and denotes the styles and philosophy of the art produced during that era. The term is usually associated with art in which the traditions of the past have been thrown aside in a spirit of experimentation. Modern artists experimented with new ways of seeing and with fresh ideas about the ...
