

mothers of the stillborn pdf

F u n e r a l F o r A S t i l b o r n C h i l d. 1. We have come together today to lay to rest in the earth the tiny body of the infant (name of the child).. a) Why are we here? b) We have not come to remember that child we lay to rest. c) Usually at funerals we remember the life of the deceased and recall how they have touched us. 2. This child has faced death before the time of his birth.

stillborn-child - Free Sermon Outlines

Stillbirth is typically defined as fetal death at or after 20 to 28 weeks of pregnancy (depending on the source). It results in a baby born without signs of life. A stillbirth can result in the feeling of guilt in the mother. The term is in contrast to miscarriage which is an early pregnancy loss and live birth where the baby is born alive, even if it dies shortly after.

When I was pregnant with my third child, I had a feeling that something was very different. The twenty week ultrasound confirmed my fears when our sweet baby was diagnosed with renal agenesis (Potterâ€™s Syndrome), and we were told that she would either be stillborn or live for only a very short time after birth.
