A false memory is a psychological phenomenon where a person recalls something that did not happen or differently from the way it happened. There is a growing body of evidence that false memories are created whenever memories are recalled. False memory is often considered for trauma victims including those of childhood sexual abuse. This phenomenon was initially investigated by psychological ...

31 Dec 2014 - Personal Memories: Dick Dunn. I was so sorry to read the sad news about the recent passing of Richard Dunn. As a former Walthamstow resident (as were my parents), I'd corresponded with him several times, and it was a delight to "talk" to him via e-mail and to share his enormous knowledge of Walthamstow and his enthusiasm for the stories and articles that appeared on his website.
