Perhaps the best feature of GURPS is the huge number of Sourcebooks that have been written for it. Pick any genre or topic, and you will probably find at least one GURPS book covering it (often available in PDF rather than print form these days). Broad categories are covered in genre books; specific settings may receive their own books. In addition to suggestions and notes regarding the topic ...

Personally I think accounting is one of the most over rated and under paid white collar profession in the world. Still, thousands select the discipline by believing in social myth such as "every business needs an accountant", "accounting is a recession proof profession" and "accountants are well paid" etc
