Banking under the Banks and Other Financial Institutions

The way a country finances its health care system is a key determinant of the health of its citizenry. Selection of an adequate and efficient method(s) of financing in addition to organizational delivery structure for health services is essential if a country is set to achieve its national health objective of providing health for all.

Public health care financing in Nigeria: Which way forward

Nigeria is a middle-income, mixed economy and emerging market, with expanding manufacturing, financial, service, communications, technology and entertainment sectors. It is ranked as the 30th-largest economy in the world in terms of nominal GDP, and the 23rd-largest in terms of purchasing power parity. It is the largest economy in Africa; its re-emergent manufacturing sector became the largest ...
