So while Abraham's initial shock at the news turned into belief in God's promise, Sarah still reacted with laughter, indicating disbelief in the promise. This seems to be the reason why, when confronted about laughing, she denied it and was ashamed of her reaction (Genesis 18:15).

### **No Laughing Matter - Plain Bible Teaching**

no laughter had been involved. It thus seems that the presence of a laughing crowd of onlookers leads to deeper, more intense processing of negative social experiences such as insults or exclusion. These findings might be slightly surprising, given the fact that laughter is often treated as a purely positive emotional utterance.
