TABLE OF CONTENTS . PREFACE. THE gracious reception given to my several reports of field studies among primitive racial groups and the many requests for copies of those brief reports and for further data, together with the need for providing interpretations and applications of the data, have induced me to consolidate my investigations. There have also been many requests from my patients and ...

Carbohydrates, and the role they play in a healthy diet, are one of the most hotly contested nutritional debates in the world, both in conventional and ancestral health circles. On one side, youâ€™ve got folks who say that carbohydrates are nonessential and increase your risk for diseases such as diabetes, cancer, and neurological disorders.

Shareholders should be realistically allowed to directly select corporate director candidates via the SEC Shareholder Proposal procedure. The days of corporate paternalism should be ended. Corporate governance problems will only be cured when Shareholders can easily remove incompetent/corrupt Directors, i.e., vote them out of office.
