International Coffee Day is an occasion that is used to promote and celebrate coffee as a beverage, with events now occurring in places across the world. The first official date was 1 October 2015, as agreed by the International Coffee Organization and was launched in Milan. This day is also used to promote fair trade coffee and to raise awareness for the plight of the coffee growers.

The American Dream is a national ethos of the United States, the set of ideals (democracy, rights, liberty, opportunity and equality) in which freedom includes the opportunity for prosperity and success, as well as an upward social mobility for the family and children, achieved through hard work in a society with few barriers. In the definition of the American Dream by James Truslow Adams in ...
