The Sciencemadness library currently holds 50426 pages of reading and reference material in 107 volumes. Shorter articles from the old Sciencemadness library remain available. Thanks go to BromicAcid for providing hosting for these old books during our time of lean bandwidth. Thanks also go to S.C. Wack for providing many of the books found here. Most of these books are provided as PDF with ...

### **Scientific and technical books of yesteryear - Sciencemadness**

This is a list of important publications in chemistry, organized by field.. Some factors that correlate with publication notability include: Topic creator – A publication that created a new topic.; Breakthrough – A publication that changed scientific knowledge significantly.; Influence – A publication which has significantly influenced the world or has had a massive impact on the ...

### **List of important publications in chemistry - Wikipedia**

Mathematical chemistry is the area of research engaged in novel applications of mathematics to chemistry; it concerns itself principally with the mathematical modeling of chemical phenomena. Mathematical chemistry has also sometimes been called computer chemistry, but should not be confused with computational chemistry.. Major areas of research in mathematical chemistry include chemical graph ...
