Walking the plank was a method of execution practiced on special occasion by pirates, mutineers, and other rogue seafarers. For the amusement of the perpetrators (and the psychological torture of the victims), captives were bound so they could not swim or tread water and forced to walk off a wooden plank or beam extended over the side of a ship. ...

There are video game remakes as well. Some are more complete remakes where much of the game was changed such as Metroid: Zero Mission being a remake of the original Metroid or Silent Hill: Shattered Memories being a whole re-interpretation of the original Silent Hill. Some of them are simply the original game with some added content, such as the Xbox 360 and Wii versions of Bully.
