When you turn 18 you are a free man. You can kick off the shackles and go about your life as you wish. But the plan that is likely laid out for you is a plan destined to fail, so you've got to make the right choices to get a jumpstart on a life of health, wealth and happiness. Regrets are pointless ...

Physical Activity Breaks for the Secondary Classroom 3 Take a Break by adding an array of physical activity breaks for students in the 6th through 12th grades to your Teacher Toolbox. These 1-5 minutes breaks should be used

Take a Break! - The Colorado Education Initiative

A teacher (also called a school teacher or, in some contexts, an educator) is a person who helps others to acquire knowledge, competences or values.. Informally the role of teacher may be taken on by anyone (e.g. when showing a colleague how to perform a specific task). In some countries, teaching young people of school age may be carried out in an informal setting, such as within the family ...

The National Board's standards and assessment were created by educators and [have been] tested and revised, and the [Board certification] process is performance-based and peer-reviewed. If educators mapped backward from board certification, embedding the standards and the process, even as they are now, into the steps every teacher takes from preservice on, teaching in [

Conclusion - National Board for Professional Teaching

Teacher education (TE) or teacher training refers to the policies, procedures, and provision designed to equip (prospective) teachers with the knowledge, attitudes, behaviors, and skills they require to perform their tasks effectively in the classroom, school, and wider community. The professionals who engage in this activity are called teacher educators (or, in some contexts, teacher trainers).
